TRAINING ASSISTANCE APPLICATION

Training is available in a wide range of skills and to achieve various certificates. Training is generally delivered through TAFE but other Registered Training Providers can be engaged. Each course must be completed before any further training will be considered. Training clearly linked to employment options will be favourably considered. Approved funds will be provided directly to the identified training provider. Assistance is approved by the General Manager based on the documentation provided by the applicant.

Name:

Date:

Contact details: Email:

Phone:

What training are you requesting?

Who is your proposed registered training provider?

Have you received training assistance from KAC previously?

YES

NO

What certificates or licenses do you presently hold?
