THE RULES OF KOKATHA ABORIGINAL CORPORATION RNTBC

Preamble

- A Native Title Determination Application SAD 90 of 2009 (Kokatha) was filed in the Federal Court on behalf of the Kokatha People on 18 of June 2009 and was registered by the National Native Title Tribunal on 21 August 2009.
- B Native Title Determination Application SAD 270 of 2012 (Kokatha No. 2) was filed in the Federal Court on behalf of the Kokatha People on 30 of October 2012 and was registered by the National Native Title Tribunal on 17 June 2013.
- C It was intended that by the time of a Consent Determination in relation to SAD 90 of 2009 and SAD 270 of 2012, the proceedings would have been combined and continued as a single native title determination application.
- D It was anticipated that the Federal Court would make orders pursuant to section 87A of the *Native Title Act* on 1 September 2014 and that such determination would constitute a part determination in respect of the area covered by the combined application which wouldn't include that part of the application area described as "the Lake Torrens area" which was excised by the Federal Court from SAD 90/2009 to be dealt with in separate proceedings ("the Determination Area") on 5 April 2013.
- E The Kokatha People decided to form this Aboriginal Corporation to be the prescribed body corporate and to become the registered native title body corporate for the determined areas pursuant to section 57(2) of the NTA and to manage the native title rights and interests of the Common Law Holders.
- F The Kokatha People are those persons described in paragraph 7 of the Consent Determination. The Common Law Holders in regard to the native title claim are those living Aboriginal people who under Kokatha Laws and Customs, identify as, and are recognised by other Kokatha native title holders as, *nguraritja* for sites and places in the Determination Area by reason of one or more of the following:
- (a) He or she is one of the following named individuals (where living) or is descended either through birth or adoption from them:
1. Alma Allen;
 2. Arthur Baker;
 3. Hilda Captain;
 4. Susie Captain
 5. Andrew Davis;
 6. Percy Davis;
 7. Stanley Davis;
 8. Ted Egan;
 9. Micky Fatt
 10. Gladys Kite;
 11. Ted Larkins;
 12. Mick Reid;
 13. George Reid;
 14. William Smith;

15. Dick Thomas;
16. Edie Thomas;
17. George Turner;
18. Wild Mary;
19. Eileen Wingfield;

- (b) He or she possesses an ancestral connection with the Determination Area, in that his or her parent or grandparent was born in that country, had a long term physical association with that country and/or possesses significant geographic and culturally confidential knowledge relating to the Determination Area;
- (c) He or she was born on the Determination Area (including, if the person was born in a hospital, the place where they would otherwise have been born);
- (d) He or she had a long-term physical association with the Determination Area and consequent knowledge of the country;
- (e) He or she possesses significant geographic and culturally-confidential knowledge relating to the Determination Area under Kokatha traditional law and custom.

The Consent Determination made in early September 2014 in these proceedings describe the Native Title Holders in the same or virtually the same way.

- G The Consent Determination ordered that the Corporation is the prescribed body corporate for the purposes of section 57(2) of the *Native Title Act*.
- H The Dictionary set out in Schedule 2 and the other Schedules form part of the rules.

5.1 *Who is eligible?*

A member must be:

- (a) a person of or over the age of 18 years; and
- (b) a Kokatha Common Law Holder.

5.2 *How to become a member*

5.2.1 A person becomes a member if:

- (a) that person is eligible for membership under rule 5.1;
- (b) that person applies to the Directors by submitting to the Corporation the Membership Application Form in Schedule 4 (**application**) signed by the applicant and two existing members nominating the applicant for membership;
- (c) the Directors approve the application to accept the person as a member of the Corporation; and

The directors must consider all applications for membership, received within the published cut off times for board papers, at the next meeting of directors after they are received.

5.2.2 The Directors will consider and decide membership applications.

5.2.3 For the purpose of Rule 5.2.1(b) the Directors will decide whether or not a person applying for membership of the Corporation (**the applicant**) is a Common Law Holder, and hence eligible for membership and among other matters in making that decision will take into account the following:

5.2.6 If the Directors do not approve a membership application on the basis that the applicant is not eligible under Rule 5.1(b) the Directors must:

- (a) refer the application to the next meeting of the Culture and Heritage Committee (CHC) for a recommendation by resolution of the CHC members present at that meeting. If the CHC members recommend the directors refuse a membership application for any reason and the directors agree with that recommendation, the directors must:
 - I. advise the applicant they may present their application for membership at a properly constituted general meeting of Common Law Holders for a decision by resolution of the Common Law Holders present at that meeting.

To avoid doubt the Directors do not have the power to refuse an application for membership that has been accepted at a general meeting of Kokatha Common Law Holders.

5.3 ***Entry onto the register of members***

(a) If the Directors or the general meeting of Common Law Holders accept a membership application the applicant's name must be entered in the register of members within 14 days.

(b) However, if:

- I. the applicant applies for membership after a notice has been given for the holding of a general meeting, and

- (b) they die; or
- (c) their membership is cancelled in accordance with rule 5.8.

5.7.2 The person's name and the date on which they stopped being a member must be entered on the register of members.

5.8 ***Cancelling membership***

5.8.1 If a member:

- (a) can't be contacted for two years after reasonable efforts by the Corporation;
or
- (b) misbehaves,

the member can only be removed by Special Resolution at a **general meeting**.

5.8.2 If under Rule 5.1 a person is not eligible, or ceases to be eligible, for membership, the Directors can cancel their membership by passing a resolution at a **Directors' meeting**. Before the meeting, the Directors need to give the member 14 days to object in writing. If the member objects, the Directors can't cancel the membership. The member can only then be removed at a general meeting by resolution.

5.8.3 If a person's membership is cancelled (whether at a general meeting or at a Directors' meeting), the Directors must send by registered post that person a copy of the resolution at their last known address, as soon as practicable and in any event within 14 days after it has been passed.

- (e) To avoid doubt, the Register of Common Law Holders is to be separate from the register of members of the Corporation.

5.10.2 Process for updating the Register of Common Law Holders

- (a) Subject to that person not already being included on the Register of Common Law Holders, should the Corporation become aware that a person claims to be a Common Law Holder then the Corporation must as soon as is reasonably practicable consider the claim and decide whether to include the person on the Register of Common Law Holders (whether or not the person applies directly to the Corporation to be included on the Register of Common Law Holders or as a member of the Corporation).
- (b) Whether a person is or continues to be included on the Register of Common Law Holders will be determined by the Directors applying the following criteria. If there is any inconsistency, a criterion higher in the list prevails over one that is lower in the list. The Corporation:
 - I. must include a person on or remove a person from the current Register of Common Law Holders if a court of competent jurisdiction determines that the person is or is not (as the case may be) a Common Law Holder;

- II. must include a person on or remove a person from the current Register of Common Law Holders if the Common Law Holders make a decision in accordance with a traditional decision making process, or if there is no such process, then an agreed and adopted decision making process, by which the Common Law Holders make a decision (**Approved Process**) that the person is or is not (as the case may be) a Common Law Holder; and
 - III. may request and act upon the advice of the representative body for the Determination area.
- (c) The Corporation must as soon as reasonably practicable remove a person from the Register of Common Law Holders:
- I. If the Directors, having applied the criteria at (b), consider that the person is not a Common Law Holder;
 - II. If the person asks to be removed from the Register of Common Law Holders; or
 - III. If the person dies.

5.10.3 Corporation to keep record

- (a) The Corporation must keep a written record of:
- I. all decisions made under this rule, including the date of the decision;
 - II. the date a person is added to the Register of Common Law Holders and a succinct statement of the reason they were added; and

5.10.4 Register of Common Law Holders to be made available

5.11 ***Common Law Holder meetings***

- 5.11.1 A meeting of Common Law Holders (CLH) shall be held by the Corporation twice during every financial year at approximately six monthly intervals. The directors can decide to postpone a CLH meeting (this means, delay or reschedule the meeting for a later date) if there are exceptional reasons for doing so (such as a pandemic preventing meetings of this nature from being held safely)

Culture & Heritage Committee Purpose

The purpose of the Culture & Heritage Committee (CHC) is to ensure connection between Kokatha culture and the activity of the Kokatha Aboriginal Corporation (KAC) by providing advice to the KAC board on culture and heritage matters.

Culture & Heritage Committee Function

The Culture & Heritage Committee will advise on cultural, heritage and community matters such as:

- youth and cultural respect development
- Aboriginal heritage and the cultural and heritage implications of State and Federal Heritage Acts
- cultural and heritage implications of Native Title matters including 9B mining agreements and exploration requests
- community engagement with Kokatha Lore, culture and heritage.

The CHC directly communicates with and advises the KAC board.

The CHC may be required to investigate, research and report to the KAC board on specific culture and heritage matters raised as agenda items at board meetings.

While CHC members are appointed as representatives of their family groups, the Culture & Heritage Committee acts in the interests of the Kokatha people as a whole.

If CHC members are not Kokatha Lore holders, it is their responsibility to ensure relevant Lore is represented to the Committee through personal consultation with appropriate Kokatha Elders and Lore holders.

- c) engage with corporate strategy, financial, business and commercial matters – that is the role of the board
